CERTIFICATE OF FELLOWSHIP COMPLETION

This is to certify that Dhruv Athaide has completed fellowship from 01/01/2024 to 30/06/2024. During this period, Dhruv, as a Team Lead for AI Cyber Lab has demonstrated commitment and dedication to the field of Cyber Intelligence.

Dhruv has contributed significantly to our organisation's research efforts in the area of Cyber Intelligence. Dhruv's dedication, efforts, and hard work have been instrumental in the successful completion of several tasks, and the insights and leadership capabilities have profoundly enriched our comprehension of the intricate and multifaceted nature of cybersecurity, allowing us to navigate and address its complexities more effectively.

Throughout the fellowship, Dhruv has delegated responsibilities to, and worked with multiple members, and closely evaluated. Dhruv consistently demonstrated excellence in completing tasks on time, showing unwavering dedication to assigned duties, effectively communicating with the team, and exhibiting strong leadership skills. Their evaluation reflects outstanding performance and contribution to the organisation.

We wish Dhruv all the best in their future endeavours and look forward to seeing them make exemplary contributions to the field of Cyber. We are confident that Dhruv will continue to lead and excel.
